

# APA Style Manual

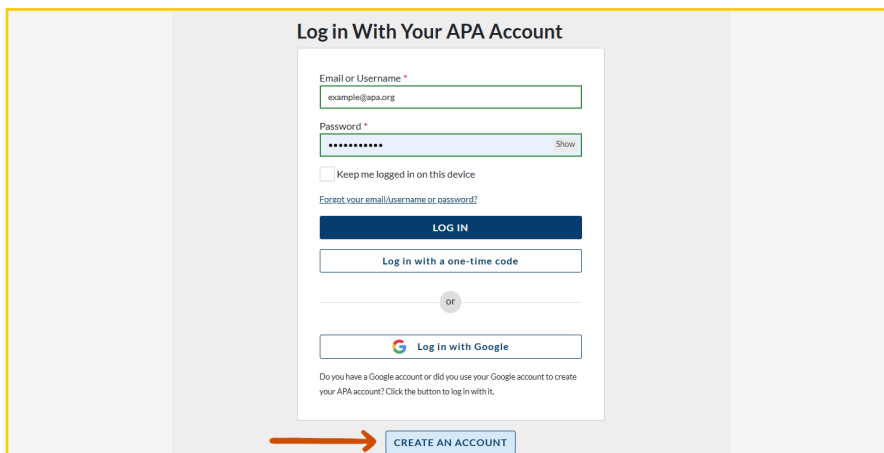

The Official Digital Guide to APA Style

## Follow this guide for step-by-step instructions to access your new *APA Style Manual* account:

1. Make sure you're on-campus, or accessing via your school's proxy or other off-campus authentication.\*
  - To add and view your notes, highlights, and bookmarks, you must first create or log in to your MyAPA account.
2. If you are on campus and within IP range, visit <https://stylemanual.apa.org/>. If you are off campus, visit *APA Style Manual* via the proxy link provided by your library.
  - For librarian or administrator: If you need to set up proxy access, use [this stanza](#).
3. At the bottom left, select Log In.

4. If you already have a MyAPA account, log in with those credentials. Note: Your MyAPA account is used to log in to the APA.org website.
5. If you do not have a MyAPA account, select Create an Account.

6. Create your account. Please note that all fields are required.
7. [Contact our team](#) if you require any support or assistance.

\*Institutional access is also available via OpenAthens. [Contact Support](#) about accommodating these access methods.
