

Fall 2026 Textbook List

This list covers all textbook requirements for the PA Program, Fall 2026. Items marked PREVIOUS PURCHASE should already be owned from a prior semester — do not repurchase. Items marked RECOMMENDED are not required. Several texts are available free via AccessMedicine through your LibLynx/Okta Dashboard. The Sanford Guide is an app subscription, not a printed book. ISBN-13 numbers are provided so you can compare prices across retailers.
